## **NOTICE OF PUBLIC HEARING**

The Hardin County Drainage Advisory Committee will conduct a Public Hearing to discuss potential future drainage projects utilizing Hazard Mitigation Grant Program (HMGP) funding on June 26, 2018, at 6:00PM in the County Courtroom at the Hardin County Courthouse, located at 300 West Monroe Street, Kountze, Texas.

This Committee has been meeting regularly since its appointment on April 10, 2018, to identify drainage issues throughout the County and discuss viable solutions. They would like to meet with the Public and other local Officials to further their discussion and obtain input on future HMGP projects being considered.

This is the Committee's first Public Hearing. They plan to schedule additional similar meetings throughout Hardin County in the coming months.
